WAREHOUSE & FULFILLMENT
PRICING

Every e-commerce service needs inventory warehousing and order fulfillment.
A general breakdown of warehousing and fullment options are below.

WAREHOUSING

Cost	Description
Free	Small items such as stickers lanyards, pens, ect.
$2 per item	Items we produce and warehouse
$3 per item	Items we don't produce but warehouse on your behalf Items we can produce but you have produced elsewhere Large or irregular shaped items

FULFILLMENT

Cost	Description
$3	Charge for first item on each order for product fulfillment

Once a product is added to inventory, you are charged for warehousing. Customers may take products out of inventory however warehousing is non refundable.

Fulfillment rates include all shipping supplies on regular items. Fulfillment is billed the first day of the month for fulfillment provided during the previous month.

Sales, inventory, and shipping reports are provided monthly.
